

## Sample Email

Dear {First Name},

I am on the host committee for The Jewish Experience's 18th Annual Wine & Cheese Gala. This event supports TJE's rapidly growing outreach programs, classes, and events. I would love it if you could join me on February 1, 2020, at 8 pm, along with more than 350 other Jewish friends and community members, for an evening of entertainment, delicious food, wine, and socializing for the benefit of this important outreach organization.

Also, for the second year in a row, The Jewish Experience invites amateur photographers to capture meaningful Jewish moments and submit those images to our photo competition. The theme of this year's competition is "Wine Down & Capture the Moment!" This will be an evening of celebration of those moments and the people who inspire them.

By now you have received the invitation in the mail. Please call TheJE to RSVP or feel free to do so at [www.theje.com/wc2020](http://www.theje.com/wc2020). You can also submit your winning photo when you register for the event, or you can email a digital high resolution copy to [photoentry@theje.com](mailto:photoentry@theje.com).
